Sir:

I, Morten Middelfart, declare:

(1) I am an employee of Targit A/S ("Targit"), and have held the position of Director of Research and Development since 1997. Targit is the assignee of Application No. 10/802,509.

(2) I am the sole inventor of U.S. Patent Application Serial No. 10/802,509 ("the '509 application"), filed March 17, 2004.

(3) It is my understanding that the United States Patent & Trademark Office ("USPTO") issued an Office Action dated May 5, 2010, that relied on *TARGIT Analysis 2K3 Technical White Paper*, Ver. 1.2, July 2003 ("the TARGIT reference") to reject claims 2-15 and 18-21 of the '509 application.

(4) I have reviewed the TARGIT reference and I am the sole source of the information contained therein.

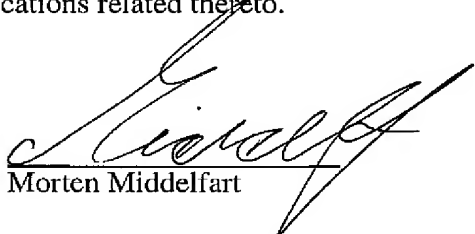

- a. The author of the TARGIT reference is Ms. Joanne Ibsen.
- b. I provided the information included in the TARGIT reference to Ms. Ibsen verbally in Targit's office around April 2003.

c. The TARGIT reference is based entirely on the information that I provided to Ms. Ibsen.

(5) I declare that all statements made herein of my own knowledge are true, and all statements made on information and belief are believed to be true. Further, I am aware that any willful false statements and the like are punishable by fine, imprisonment, or both (18 U.S.C. § 1001), and that such willful false statements may jeopardize the validity of the '509 application, and any patents and applications related thereto.
